Shut the world out and get lost in your music—or let the world in.
It's your choice with the first in-ear noise cancelling headphones from Promate.

Accord Acoustic Noise Cancelling earphones let you enjoy better sound in every situation.
Accord is ergonomically designed to fit the unique contour of your ears for extended comfort. The inline mic and remote let you pick up calls and control certain smartphone functions. With an extended long playback time of 13 hours, Accord is your music companion for the entire day.
