 **LUMINISER**

### **No batteries, solar or cords required**

The Luminiser transforms heat energy from the flame into powerful LED light.

One Luminiser Lamp Oil Unit lasts for 8 hours and creates 15-20 times more light than the flame alone.

With three settings, you can have a powerful reading light, or work comfortably and confidently in the light of the Luminiser.

The Luminiser is lightweight and durable and perfect for camping, emergencies and power outages.

### **Use it indoors and outdoors**
