In England wurde jetzt wegen Corona schon vor Stromausfall gewarnt

The Daily Mail: https://www.dailymail.co.uk/news/article-8170895/Britons-told-prepare-blackouts-keeping-torches-warm-clothes-nearby-coronavirus-crisis.html
The Sun: https://www.thesun.co.uk/money/11292200/coronavirus-energy-electricity-blackout/

Nun – bisher ist das nicht eingetreten und passiert wohl auch hoffentlich nicht!
Aber auch so kann der Strom natürlich einmal ausfallen.

Mit dem **Nighthawk** von **Powertraveller** hat man dann nicht nur Licht, sondern kann auch Smartphones und andere 5V-Geräte wieder aufladen.

Das **Solar Kit** enthält zusätzlich das 230g super-leichte Solar-Panel **Falcon 7**, das mit 7 Watt auch unterwegs zum Laden des Nighthawk oder anderer Geräte verwendet werden kann.
