AN ENDLESS REUSABLE NOTEBOOK ON A MISSION

Correctbook® is a rapidly growing stationery manufacturer with a mission: providing 1 million children in need with re-usable writing materials before 2023. The notebooks produced by Correctbook® are endless reusable and available in all kinds of different colours with different accessoires. Correctbook® is being sold in Western countries, and a big part of the proceeds is used to make the same writing material available to children in developing countries.

THE STORY OF CORRECTBOOK®

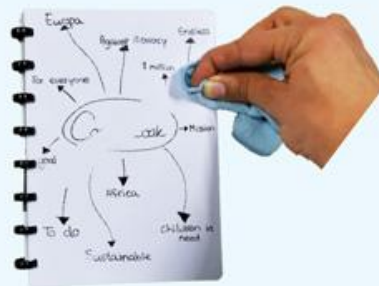

While on vacation in South Africa, Correctbook® founder Sam discovered what it was that children in the slums really wanted: something to write on. 250 million children do not have access to school materials. Your purchase will help Correctbook® producing the same endless writing materials to children

HOW DOES THE CORRECTBOOK® WORK?

The writing on the Correctbook® cannot be erased with the hand. We have the following products available to erase your notes:

- the back of the marker
- a dry or wet cloth
- the Correctbook® cleaning sponges
- the Correctbook® cleaning set

CORRECTBOOK® FOR YOUR BUSINESS
