

Haben Sie noch immer extra Kabel zur Powerbank dabei? Mit der Scorpion 8000X von iWalk ist das nicht mehr nötig ...

## Alle 4 Kabel integriert !!!

**iWALK**

Made for iPhone

Are you still charging with THEM?

Built in Lightning, Micro USB, Type C and USB Charging Cables

The advertisement features a black iWALK Scorpion 8000X power bank with four charging cables (Lightning, Micro USB, Type C, and USB) integrated into its design. The cables are shown both plugged into the power bank and floating above it. The background is black, and the text is in white and orange.

iWALK®

No need to  
carry any cables
