

WRAPS

POD-02 BLUETOOTH SPEAKER

The POD Speaker is, a stylish, enviable, portable Bluetooth speaker.

Deceptively powerful and offering outstanding sound quality for its size, the WRAPS Pod is the ultimate in quick access music on the go. The Clip & Go concept allows you to clip the POD to your bag, luggage or on your belt.

The WRAPS Pod stands out due to its TWS (True Wireless Stereo) feature. True wireless stereo allows you to pair a second POD, either by clipping next to or even attaching it to the second housing loop provided with every product.

Premium materials such as aluminium are used throughout this range, which give the POD speaker its light weight and durability, allowing it to keep up with your lifestyle. WRAPS is all about sound quality and with a 25 year audio history and unrivalled expertise, our many awards speak for themselves. The POD is deceptively powerful with outstanding audio for its compact size.
